

## Wenger scores Weah invite

\* **Arsenal manager Arsene Wenger says he has been invited to former footballer George Weah's inauguration as Liberia's President.** But Wenger, who signed Weah when he was Monaco coach in 1988, expects to be too busy to make the trip from London for the 22 January ceremony. Weah, a former Fifa World Player of the Year, was elected President last week in Liberia's first democratic transfer of power in more than 70 years.
